May 2023

I saw them in couples,
I saw them in flocks.
They danced in the breezes,
They glowed in the sun,
They nodded and beckoned,
Rejoiced every one.

Village Tidy Up Morning

In preparation for Spring, a village tidy up was held on the 15th of April. The efforts of a group of volunteers was focussed mainly around the Parish Hall, Play Area and Churchyard, but some also ventured further afield picking litter which seems to blight many places.

There was also a workstation for the construction of bird boxes and hedgehog houses, as the community engages more with the need to protect and encourage our endangered wildlife.

Thank you to everyone who contributed in whatever way.

Easter Egg Hunt

Easter activities began with an Easter Egg Hunt organised by St. Lawrence's church, which saw many children and families enjoying searching for clues, and on solving a simple anagram, collecting a chocolate egg and Easter booklet.

FAMILY CHOCOLATE BINGO

To complete the Easter season, a family chocolate bingo evening was held in the Parish Hall. The evening was a huge success, and nobody left empty-handed. Many thanks to all involved, and especially Janet from Lowe Engineering, and Adam & Lydia from the Strawberry Garden Centre for their kind donations of chocolate eggs and bunnies.

Confirmation

Sunday 23rd April saw the Bishop of Stafford, the Rt Revd Matthew Parker, preside at the Area service of Confirmation in St. Lawrence's Church. Regular worshippers Lydia Bird and Lauren Leiter, pictured here with the bishop, were two of the four people confirmed at this wonderful occasion, during which they spoke briefly of their journey of faith. We are delighted and overjoyed that they have declared their commitment to the family of Christ in this way.

INKJET CARTRIDGES - Please note that kind people when upgrading their computer printers have donated their unused cartridges.

In church we have HP 45 x 2 Black, HP 344 x 2 Tri colour, HP 348 x 2 Photo colour, HP 364 (3 colours and black in one box) 570 XL and 571 XL, 903 XL x 3. Please do take the opportunity of using them – Church is open every weekend and you will find them near the South door under the Memorial book cabinet. Please recycle with us when you have used them.

POSTAGE STAMPS – we are still collecting them and recycle for charity like the inkjet cartridges.

If anyone is interested in stamp collecting and would like to speak to someone with an extensive collection please email: sallyannelander@gmail.com so that we can put you in touch to discuss, see and learn more about this fantastic hobby.

NEW! We have started collecting tablet blister empty packets (no tablets left in please) so please think of us instead of binning them. Thank you.

Hot off the press we learn that David & Brenda Brookes had some good news: they are delighted to announce the engagement of their youngest daughter Vicky to Sam Harper. Many congratulations.

Local Elections

The way we vote is changing. On Thursday 4 May, you'll need to bring photo ID when you go to the polling station at: Bramshall & Loxley Parish Hall.

The Use of Air Weapons

Sadly, it has come to our attention of the potentially illegal and dangerous use of a high-powered air weapon in the village. Over the past 3 years, a resident of Church Croft has experienced damage to property (to quote: "my upstairs ensuite toilet window exploded whilst my wife was washing her hands"), dead and injured birds in their front garden, and even a 'near miss' while enjoying their front garden. The resident also discovered a pellet while cleaning the drain. Please be reminded: **It is an offence for any person to use an air weapon for firing a pellet beyond the boundaries of any premises. It is also an offence to shoot with the intent to kill any bird without a proper licence.**

BRAMSHALL AND DISTRICT GARDENING CLUB

We were treated to a very well-researched presentation on the history of our relationship with birds which has resulted in so many wild birds frequenting our gardens. Apparently, in this country, we have moved from an attitude that birds were pests (sparrows, for instance eating the farmer's grain), through a period of caging wild birds in Victorian times, to now, when invite them into our gardens and feed them.

The first person to give wild birds a definite place in their garden, to feed them and to build nest boxes was Charles Waterton of Wakefield (1782-1865). He had a large estate and built a wall around it to keep people from interfering with the wild birds in his grounds. People thought he was mad! However, this was the first nature reserve in the world and it was very successful.

Another milestone in this history was the creation of the RSPB. This was started in 1889 by Etta Lemon and a group of friends with the original purpose of abolishing the use of bird feathers in hats, as large numbers of exotic birds were killed as a result of this demand. The group were successful after a number of years, during which time they expanded their aims to include making sure other types of birds were protected and cared for. Garden birds are certainly encouraged today and a total of about £250million is spent in this country on food for wild birds.

The April meeting was the last of the current season but we will be back at Bramshall Parish Hall on Monday 25th September at 7:30pm for the start of the 2023-24 season. Please look out for further announcements in the Bramshall Newsletter.
